Characters & Story

Super-sweet, super-innocent Rito, and the girl whose beauty is the pride of the cosmos, Planet Deviluke's Princess Lala, along with Rito's classmate Haruna, are all woven together throughout this cute,♥ teensy-bit naughty, slapstick romantic comedy!!

Run and Ren

Lala's childhood friend who switches between a boy and a girl when they sneeze. The girl's name is Run, and the boy's name is Ren. Run has made her debut as an idol star!

Tenjouin Saki

A super-rich and upper-crusty girl who is one year ahead of Rito and his pals in school. She holds herself in high esteem, and burns with a passion that makes her see Lala as a rival. Whenever the opportunity presents itself, you can bet she'll be picking a fight with Lala.

Oshizu

A ghost who died 400 years ago. Mikado built a bioroid body for her that is nearly indistinguishable from a real human, and by possessing it, she is now able to live alongside everyone else.

Kotegawa Yui

A classmate of Rito and friends who is uncompromising in her refusal to permit any flouting of public morality. She has marked Rito and Lala as people to be extra cautious of!

Peke

A Universal Costume Robot, built by Lala. He can transform into a variety of shapes, taking the form of a dress, a uniform, and more.

Ryouko Mikado

The school nurse at Sainan High School, which Rito and friends attend, and an alien like Lala and company. Her secret job is providing medical care for aliens living on Earth.

Yami (Golden Darkness)

An assassin with a reputation as the deadliest in all the universe. She came to Earth on a mission to take Rito out, but her attitude has slowly been changing ever since she first met Lala!

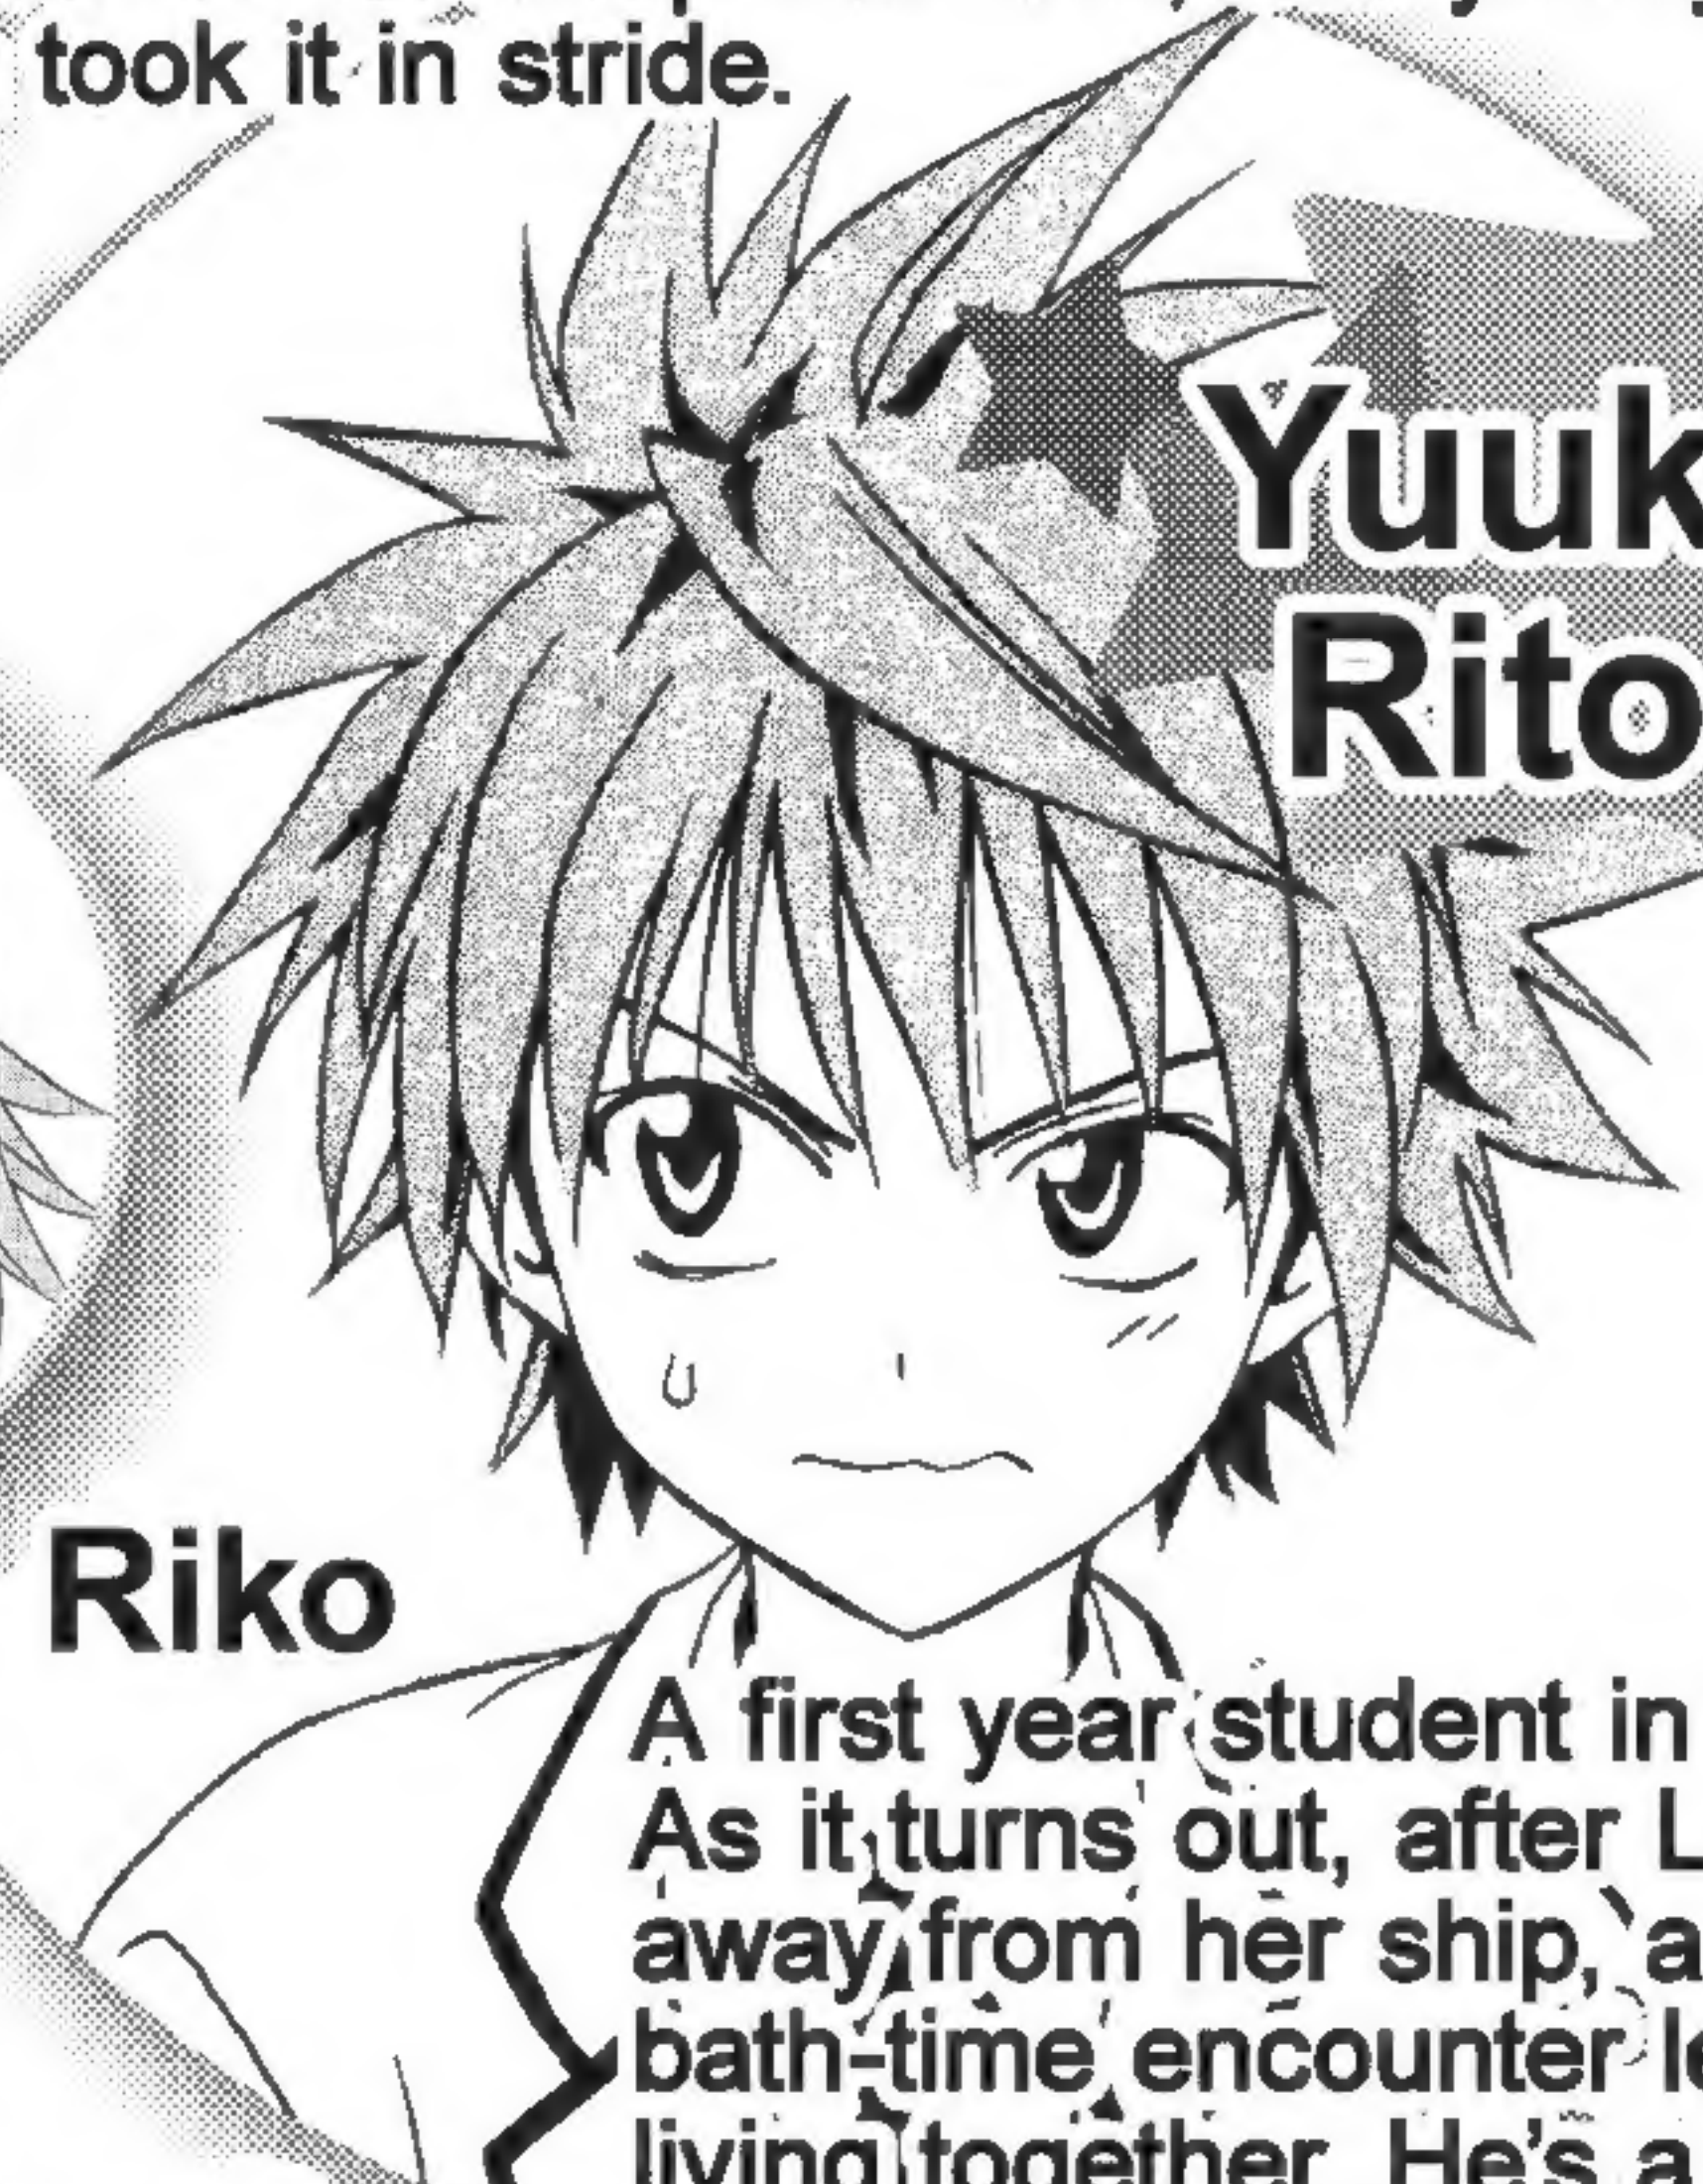

Lala Satalin Deviluke

The first princess of Planet Deviluke, seat of power for the entire Milky Way Galaxy. She rejected the suitors her father has selected, and ran away from home to Earth. However, after truly falling for Rito, whom she met in a chance encounter, they started living together (?!). Somehow, the fact that she's an alien was a secret, but (without her really being aware of it) a trivial occurrence let it slip out. Still, everybody pretty much took it in stride.

Yuuki Rito

A first year student in high school. As it turns out, after Lala warped away from her ship, a sudden bath-time encounter led to them living together. He's a late-bloomer when it comes to romance. He was in the middle of trying to confess his feelings for Haruna--the girl he's crushed on since junior high--when, in the heat of the moment, he accidentally confessed to Lala, who appeared in between them. He ended up becoming her lone fiancé. Recently, thanks to one of Lala's inventions, he ended up transformed into a girl named Yuusaki Riko.

Yuusaki Riko

Sairenji Haruna

A girl who has been in the same class as Rito since middle school. And she secretly likes him?! She is a quiet and mild-mannered, prim and proper beauty. However, when her fear hits extreme levels, she tends to fly into a panic and totally lose it...

Nana Asta Deviluke

Momo Belia Deviluke

Lala's younger twin sisters. Nana is the second princess of Deviluke, and Momo is the third.

Yuuki Mikan

Rito's little sister. Rather than taking issue with the whole "Lala is an alien" thing, Mikan welcomes her into their home with open arms. She had to grow up fast and is quite a stable, level-headed person.

A Tale Beyond Mistwa (1)

Before Mikan's eyes, the gigantic plant Celine stretched out, groaning in pain. It was a pitiable sight.

"I'm sorry you came all the way over here to hang out only for things to suddenly get so serious..."

"It's totally okay, Mikan-chan. The situation is what it is. More importantly, I wonder if Celine-chan is going to be okay..."

"Looks like it's *my* turn now!"

"Do you know of a way to help, Oshizu-chan?!"

"I don't know anything about Witherleaf, but I am Mikado-sensei's assistant, after all!"

Oshizu, overflowing with confidence, struck a pose. And then, seemingly out of nowhere, she plopped a stethoscope on Celine.

"Where the heck did that come from?! Were you just carrying that thing around?!"

"Calm down, Kotegawa-san..."

In the midst of Haruna and Yui seemingly putting on a two-woman act, Oshizu examined Celine with a serious expression tattooed across her face.

"Wh-what the...?!"

"Did you figure something out, Oshizu-san?!"

"Where the heck is her heart, anyway?"

Haruna and Mikan fell to pieces laughing.

As one might expect, Yui flashed a look of consternation.

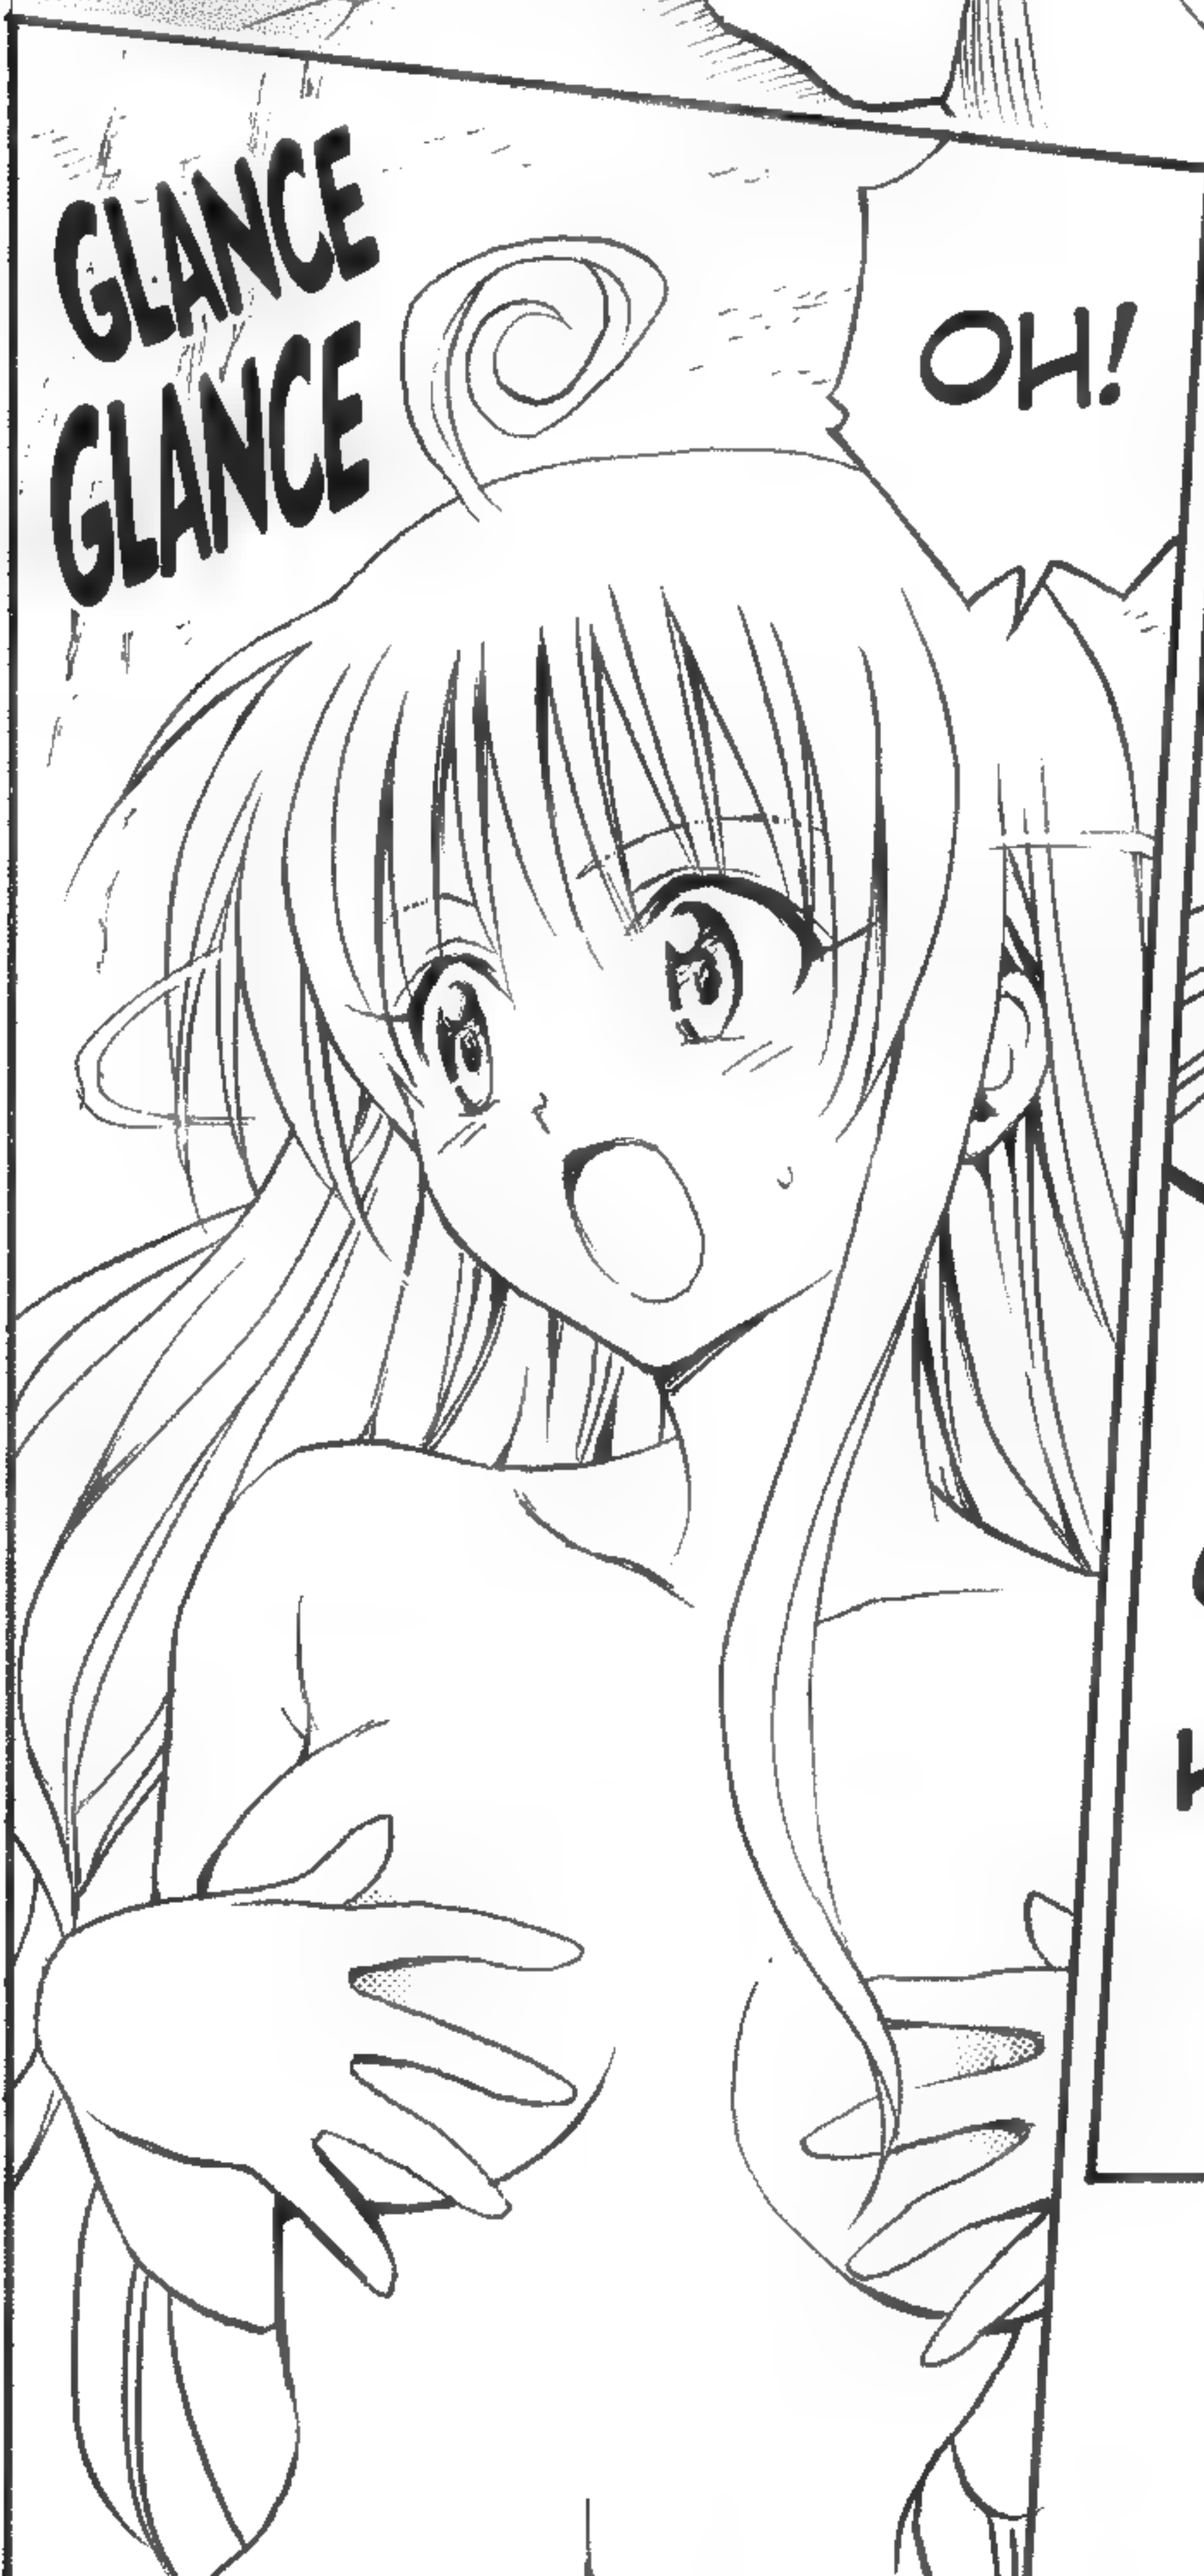

As all of this unfolded, Haruna gazed up at the sky, worry tracing the lines of her face.

A Tale Beyond Mistwa (2)

“She’s in quite some pain...”

Yui gently placed her hand atop Celine.

How sad...

Perhaps sensing Yui’s thoughts, Celine gently placed one of her feelers atop Yui’s hand.

Hang in there, Celine-chan... “I wonder if Rito and Lala-san are all right...”

“Yes... Hopefully Lala-san is still getting randomly nude, and Yuuki-kun is doing salacious things as usual...”

“Y-yeah, that’s actually kind of what I’m worried about...”

Mikan could do nothing but laugh bitterly.

“Hello, is this Mikado-sensei? Yes, I’m borrowing Haruna-san’s carry-along phone!”

Oshizu-chan, it’s called a cell phone...

“Yes...okay...I see... Right! I’ll try that!”

“Did you figure something out?”

“Yes. Mikado-sensei instructed me to provide her with lots of water.”

“Murasame-san, Sairenji-san—can’t you ask Mikado-sensei to come out here personally?”

“Things at her clinic are really quite busy right now; she can’t! But don’t worry. I’m here, so I’ll knock this out no problem!”

That’s exactly what I’m afraid of...

In contrast to Oshizu, who was in very high spirits, Haruna and Yui looked most uneasy.

After a short while, Mikan came along with a big bucketful of water.

Oshizu took it from her, and brought it to Celine. “I’ve got some water for you, Celine-san!”

Nimbly, Celine reached out with a feeler and gulped deeply from the bucket.

She let out an “aaah,” and her expression seemed to indicate that she’d enjoyed it. However, a moment later...

“PHBBBBBBT!”

“EEEEEEK!”

All of a sudden, Celine spat the water out...directly into Oshizu’s face. How sad...

“WAAAAAH!”

“Oshizu-chan, it’s okay...”

Haruna quickly produced a handkerchief and wiped up Oshizu’s face.

“Celine?”

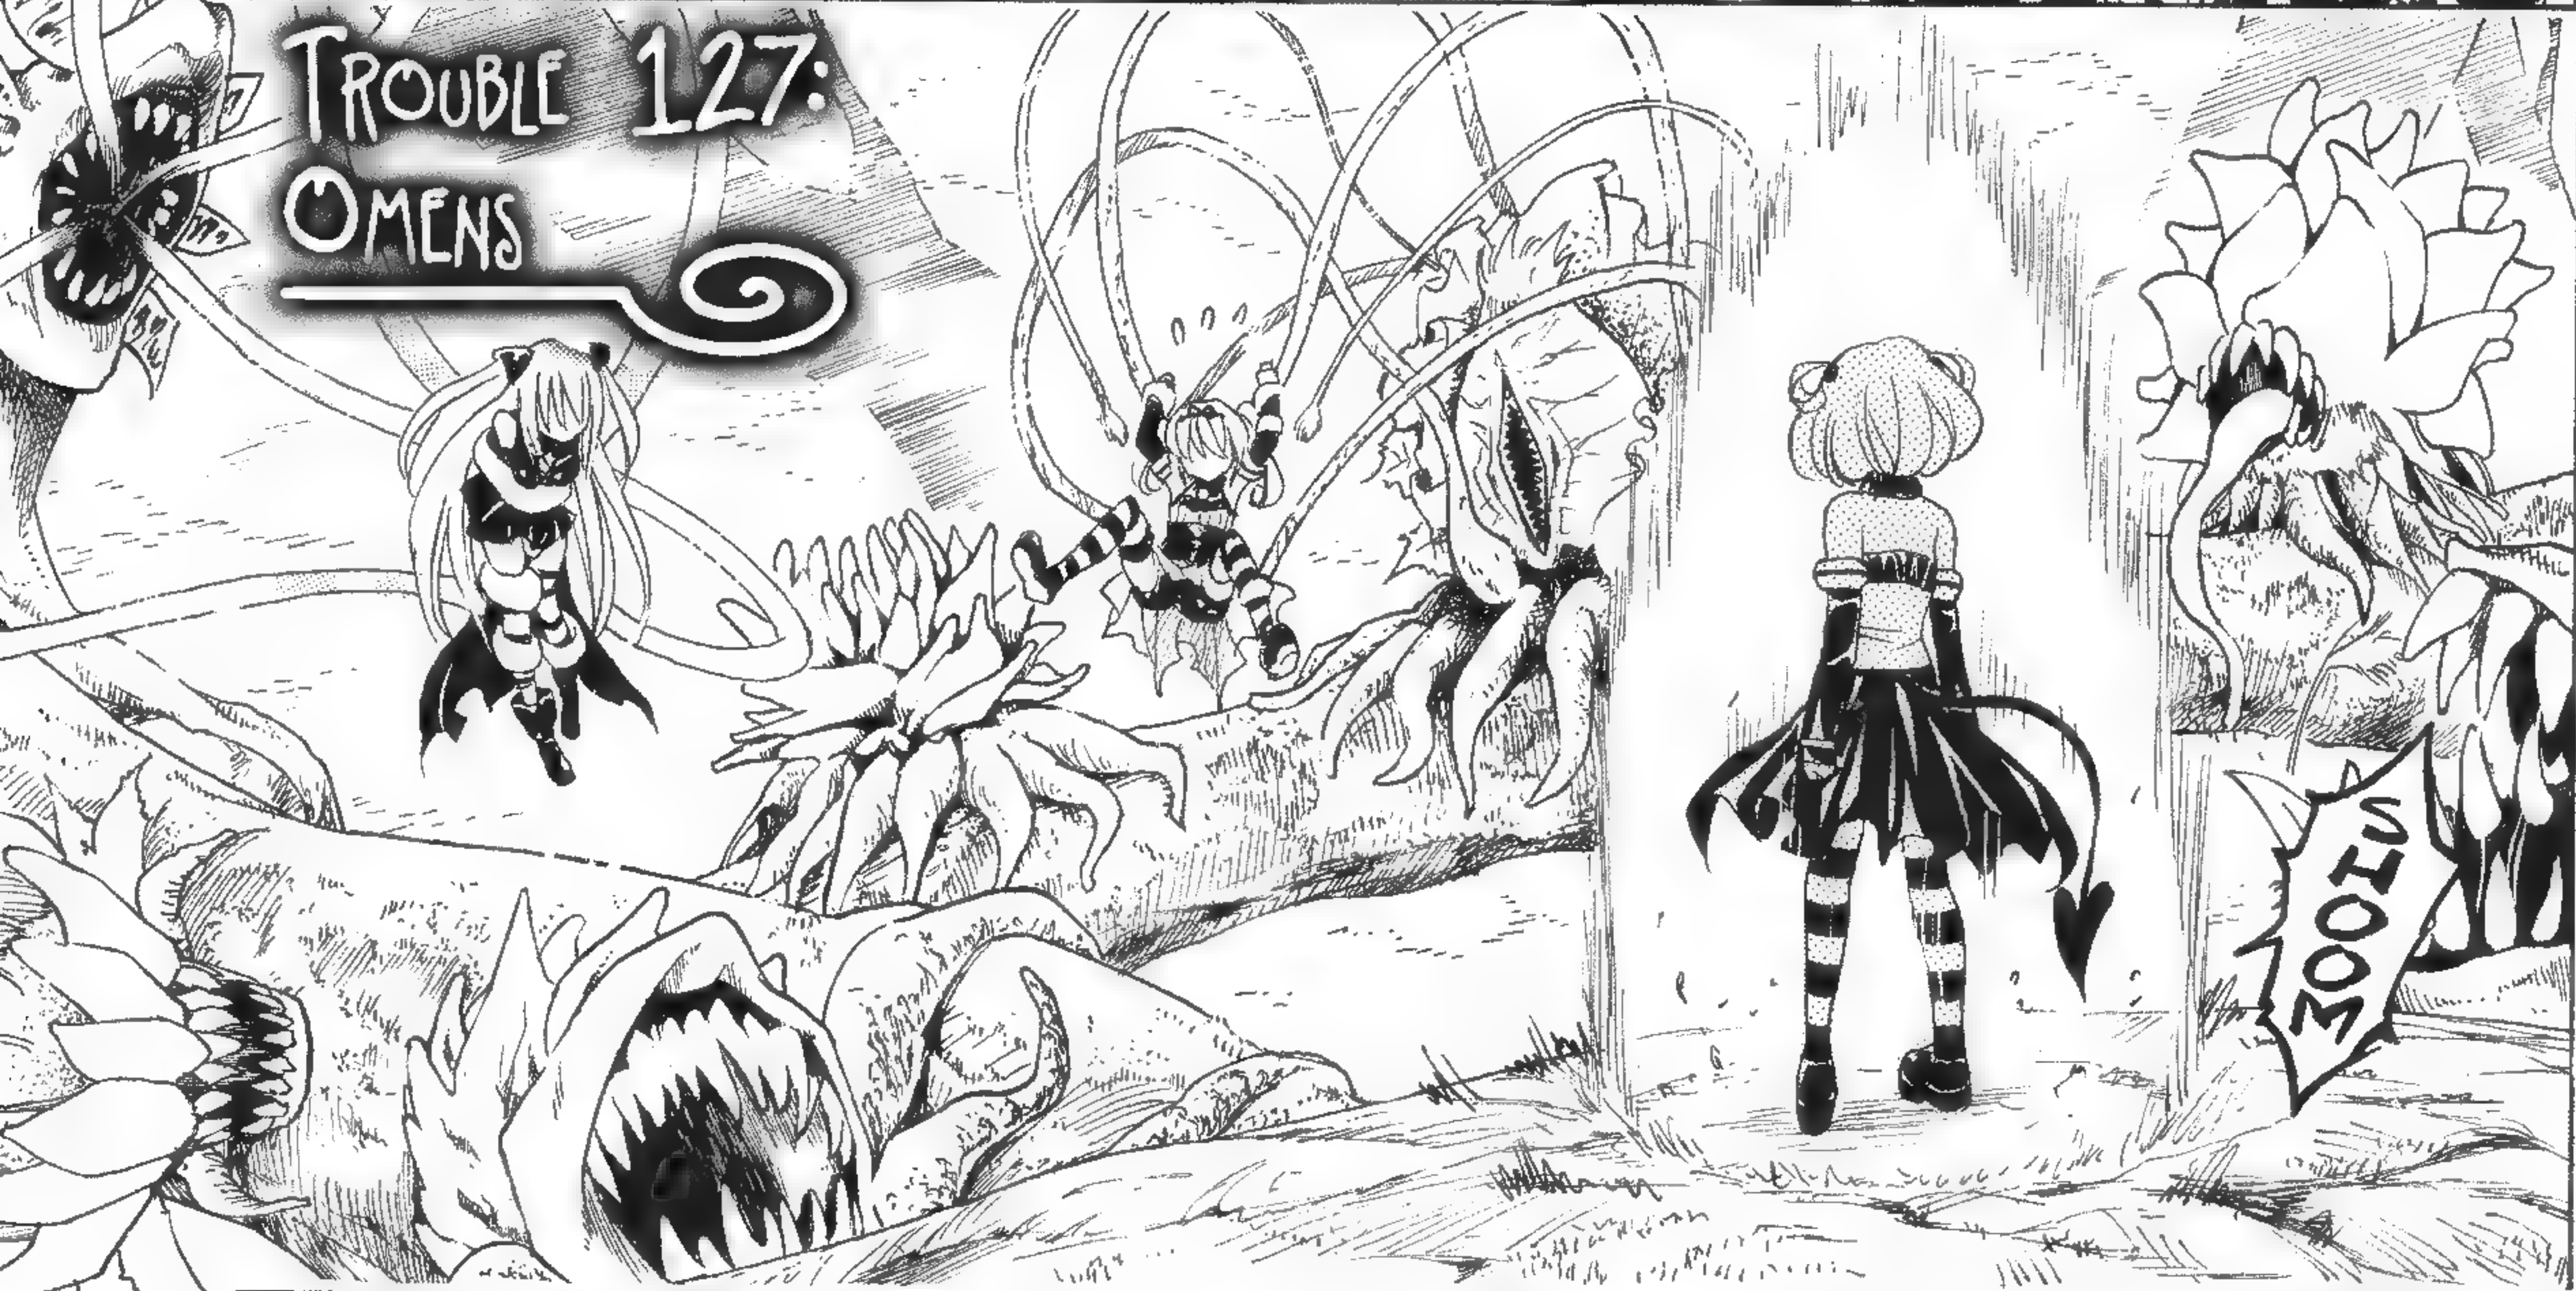

In front of Mikan’s eyes, as if her earlier sluggishness had been a lie, Celine rose up.

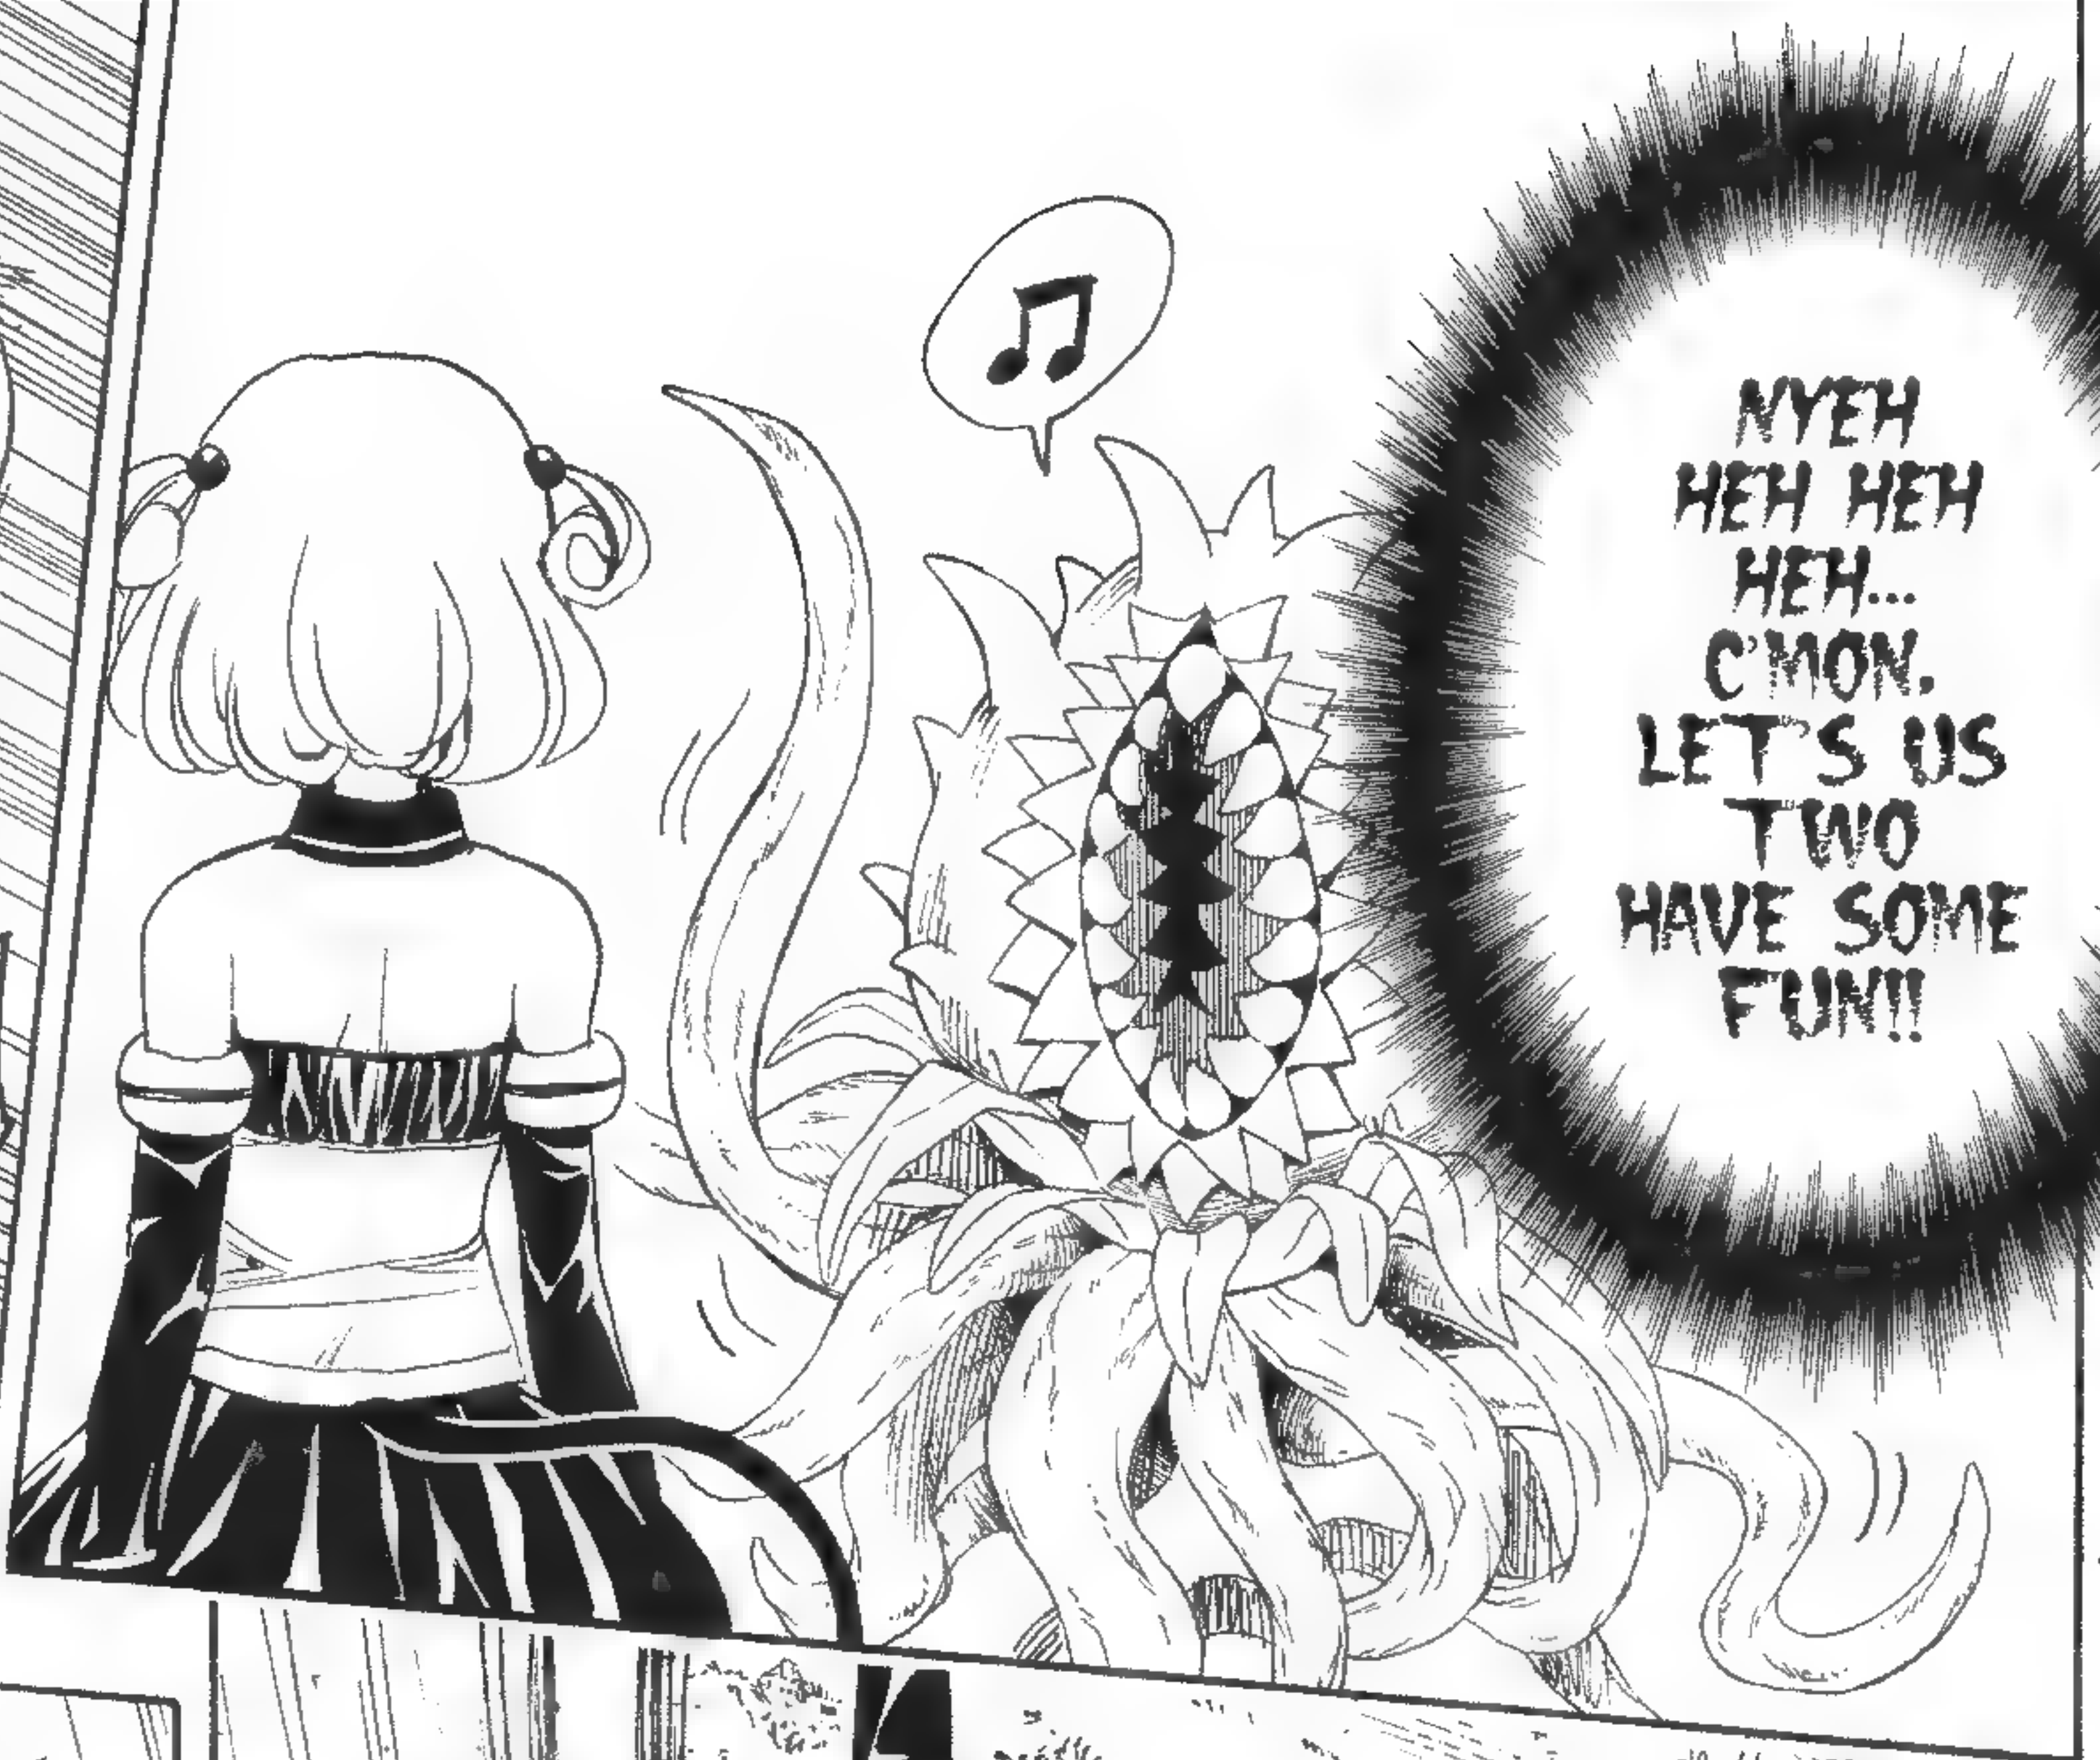

What in the world was going on?

“I see... I think I understand what’s happening now...”

“Calm down, Celine!”

Celine, without listening to a word Mikan said, flailed her feelers around.

“Murasame-san, did you give her some kind of weird water?”

“No, it was just regular old water! Eeeeeek!”

Oshizu and Yui dodged the flailing feelers. However, Haruna couldn't just stand in silence and watch Celine.

“Mikan-chan, hold Celine-chan!”

“Got it!”

From either side, Haruna and Mikan hugged Celine closely. Strongly, but gently, too...

“Calm down, Celine-chan!”

“Celine, please! Please, behave yourself!”

After resisting for a short time, Celine finally calmed down.

And then, bit by bit, the golden light also began to fade...

As though the light of her life was dimming...

“Celine...”

Gingerly, Mikan placed her hand on Celine.

“It's okay...don't worry...”

“Huh?”

Did she mishear?

Celine

☆Celine

An extremely rare breed of plant that blossomed on Planet Plantas. At present, it appears as a small girl that was born(?) from the plant itself? Mau mau! ♪

☆Her Name

In the manga, Mikan named her. In real life, Yabuki-san named her.

☆Celine in the Manga

When Celine first appeared in her plant form, I had no plans whatsoever to make her into some kind of regular character. However, as the story went along, I wondered a few times if I could use her as a punchline, and by the time I realized what had happened, she had sort of become a symbol of the Yuuki home. We didn't have a deep reason for why plant Celine eats various kinds of food, it was just because Yabuki-san and I preferred it. That said, it seems like ramen is her absolute favorite for some reason! ♪

☆Mau-mau!

I was thinking of having Celine transform into human form since the early days of the series, but due to developments in the main story and the ballooning cast of regular characters, I never had a chance to make it happen. And then, as the chapters piled up, things calmed down, and so we arrived at Celine's transformation as part of the Mistwa arc. At first, I thought of her as being fairy-sized, but after a meeting with Yabuki-san, we ended up making her more mascot-sized, which gave her a very childish appearance. Also, the mau-mau thing doesn't really mean anything...

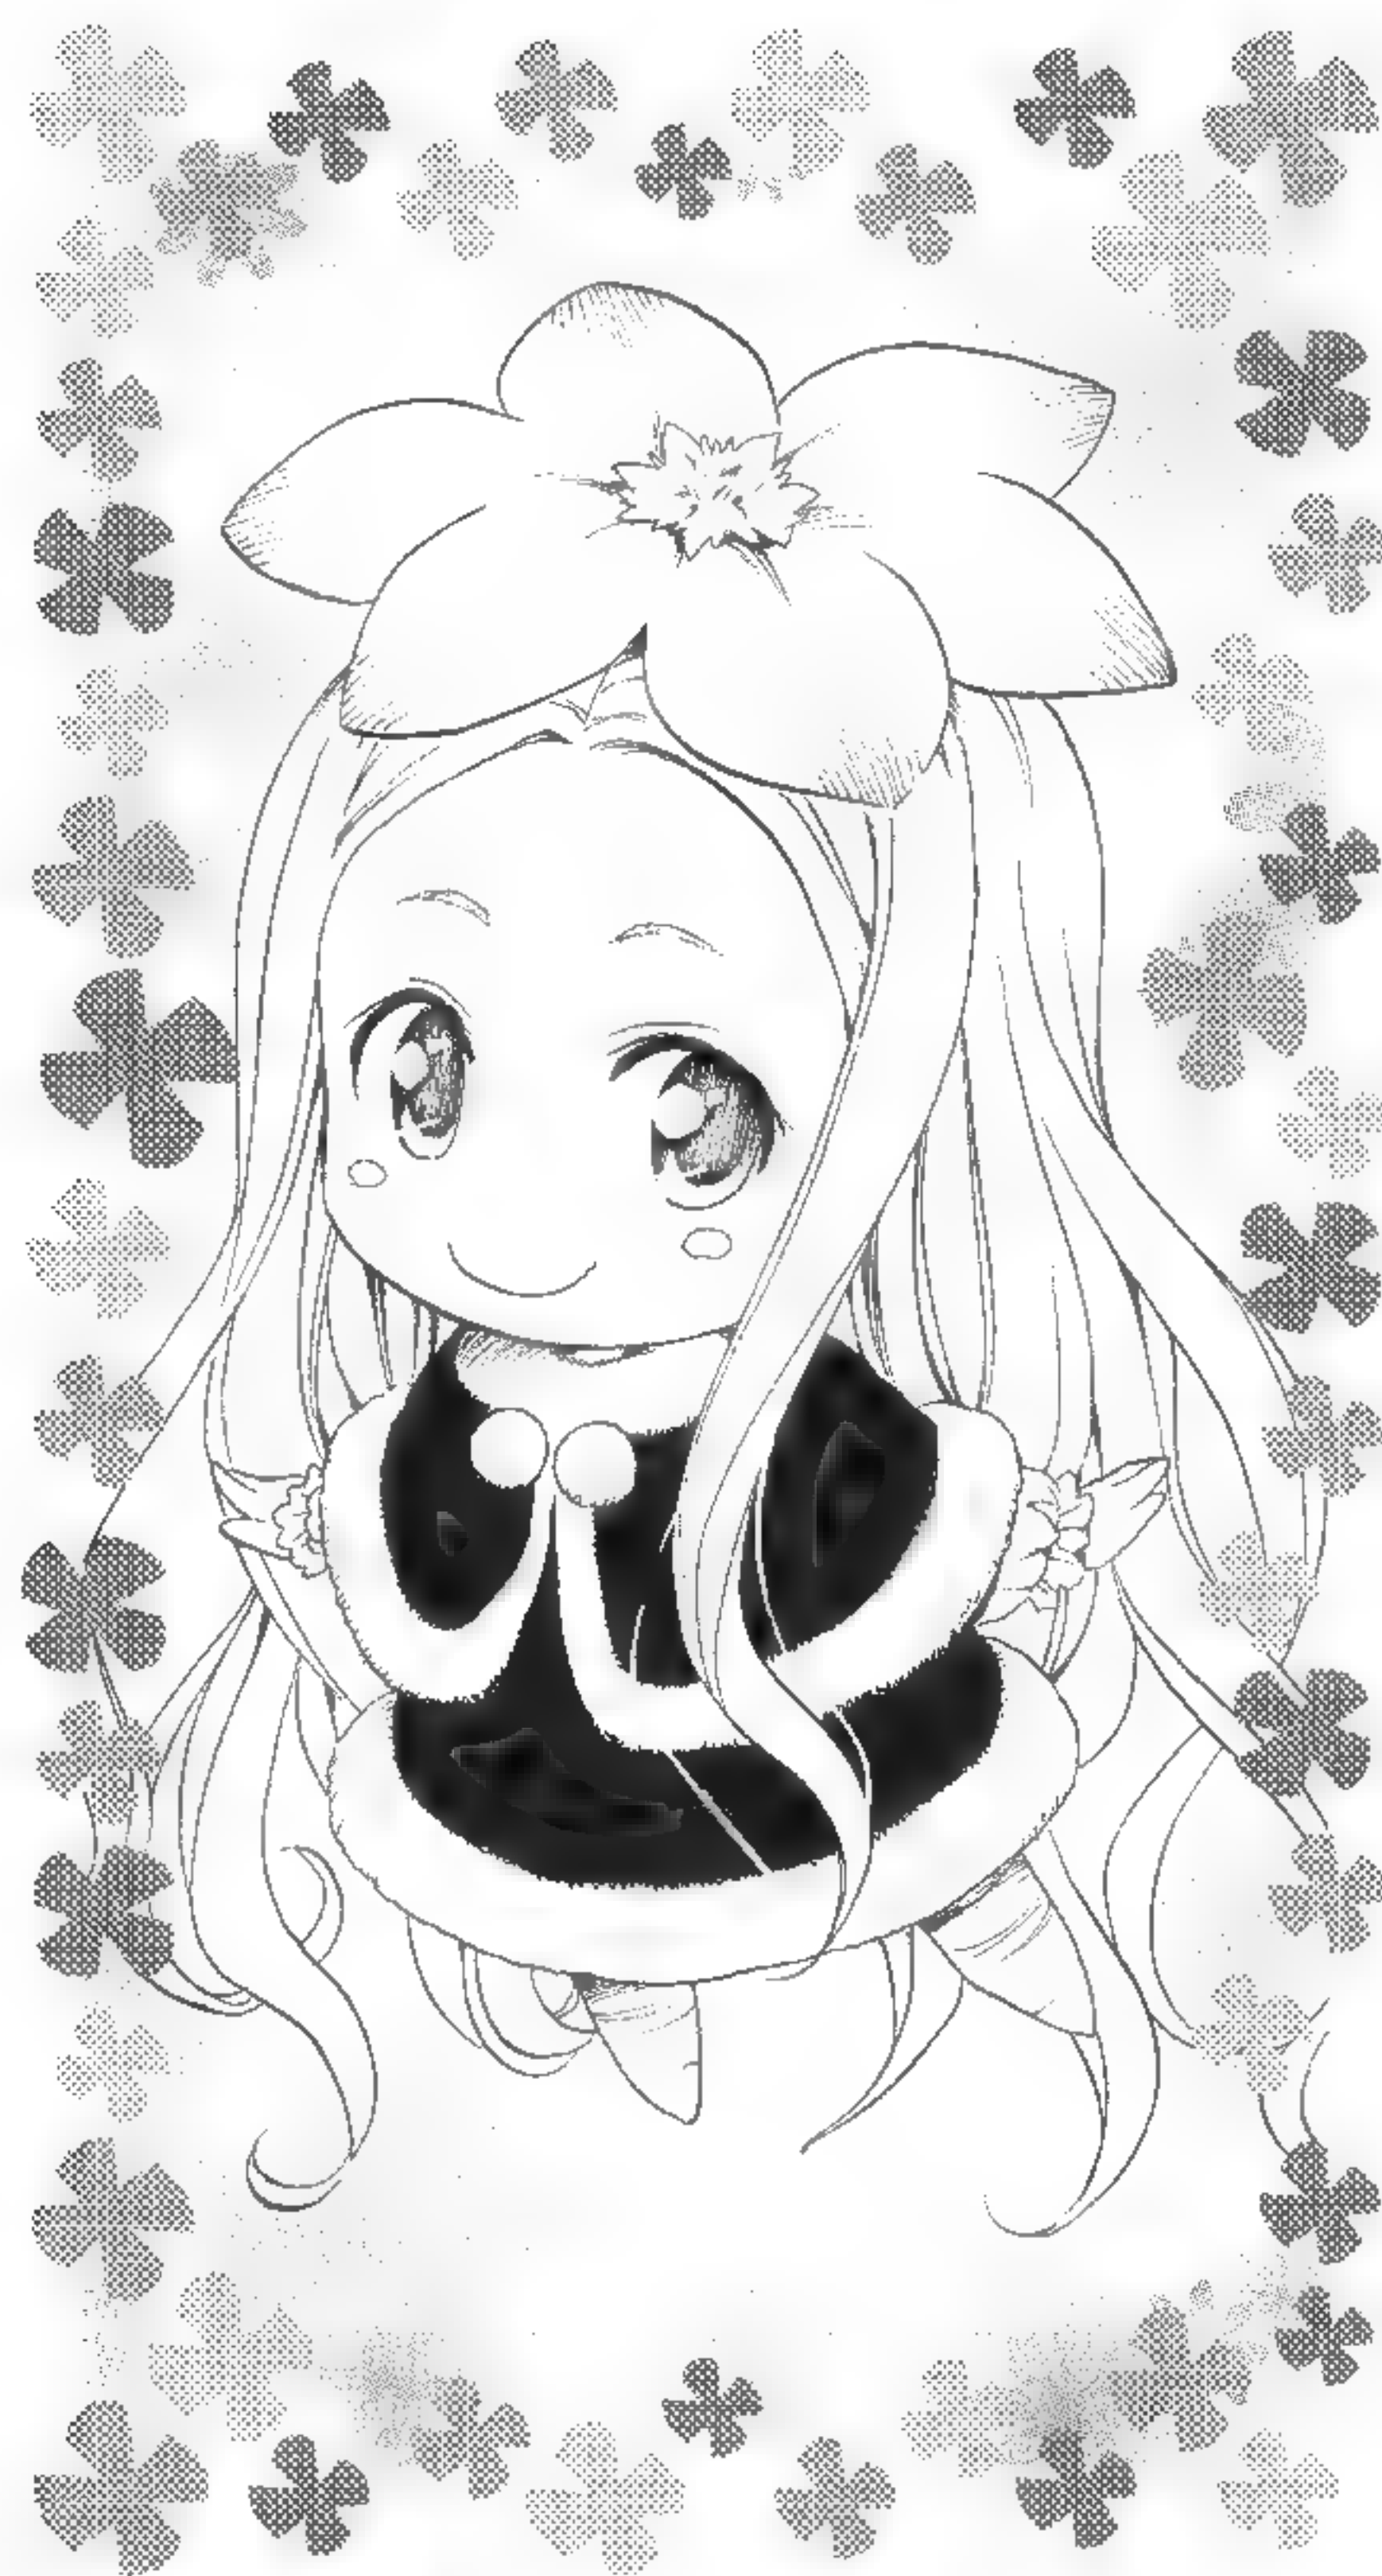

☆Rejected Story

I originally thought up a story in which Celine grew to be gigantic and wreaked havoc on Sainan, buuut, that didn't really fit the *To Love Ru* vibe, so I didn't follow through with it (LOL). I sorta wanted to, though... (sweatdrop!)

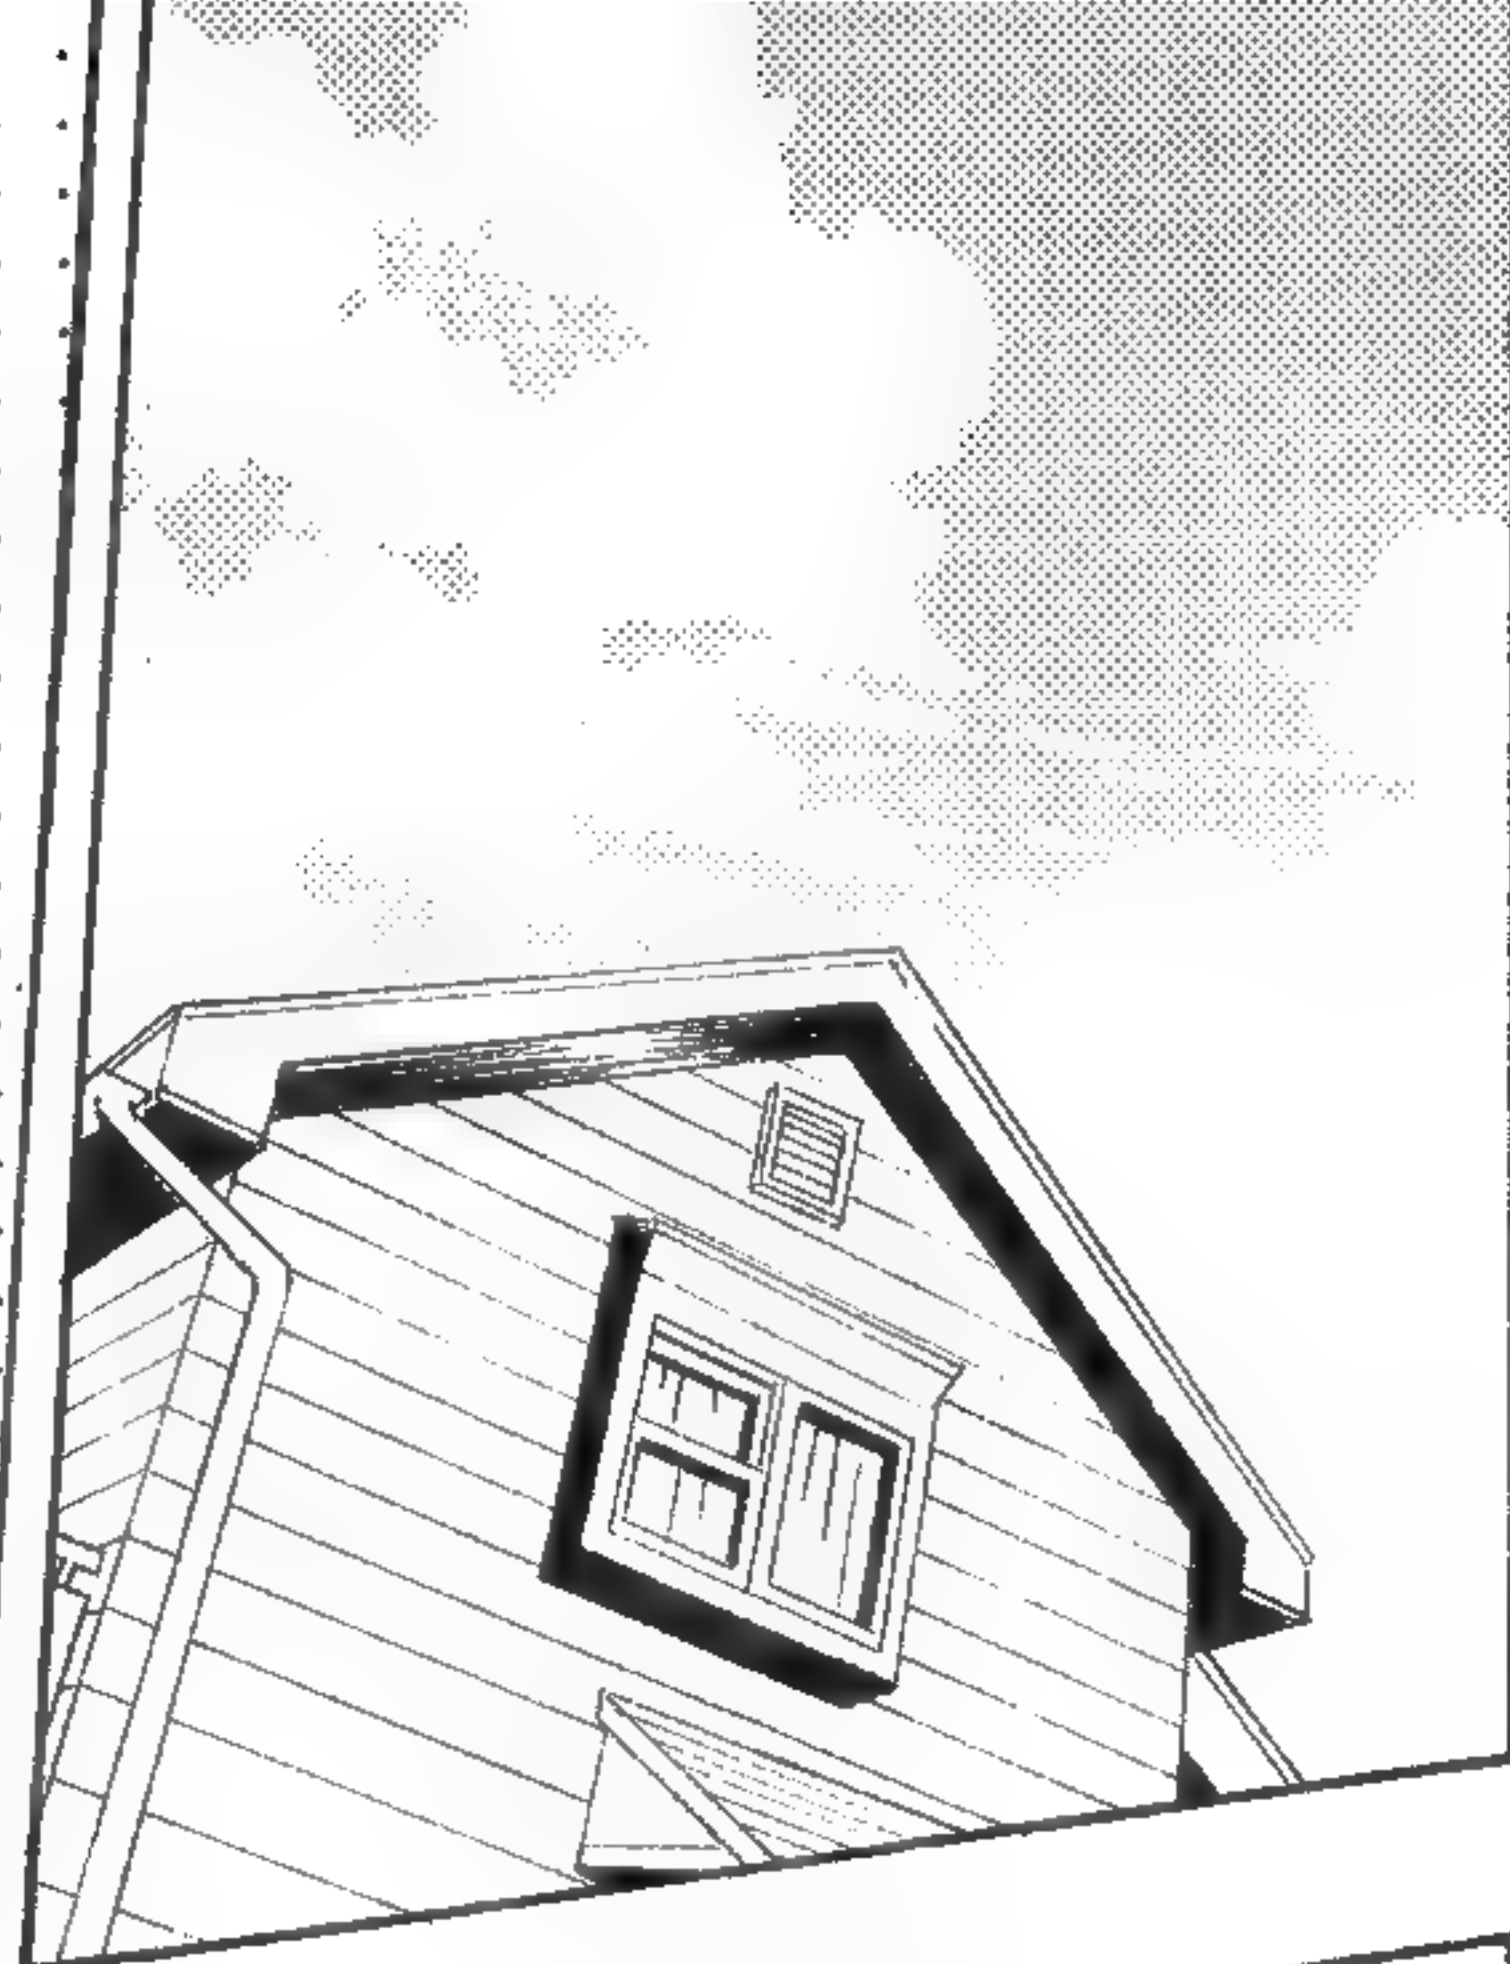

☆What's Next...

I do have a few ideas for stories with Celine, and I'm considering some developments that might match the things you're all requesting, dear readers—as you'd imagine. (Eh heh heh!)

Mikan's Observation Log

6

Normally, Mikan would be the only one cleaning up in the kitchen. Today was a bit different. The dishes were getting washed a whole lot faster—as you'd imagine, since today she had company.

“You can go hang out with your friends if you like, Mikan.”

“Huh? No, I'm good, I'll help too. I'd feel bad leaving you on your own...”

“If that's what you want.”

Though Mikan typically had a soft smile on her face, today, it was a bit different. Being together with her mother had made her fall naturally back into a childlike grin.

“Say, Mikan...”

“Yes?”

“I really am sorry that I'm never home.”

“Huh? It's okay, really! Don't worry about it.”

“I'm glad that's how you feel, but...sigh...I'm just missing some of that 'mom' feeling, I suppose.”

Drying a wet dish, Mikan answered with a smile. “I don't want you to worry about that—I want you to put your all not into just being a mom, but into your work as Yuuki Ringo.”

“Oh, Mikan...”

“After all, that's what I love about you, Mom. You always go your own way.”

“Mikan! When did you grow up so much?! Ahhhh!”

“Whoa, Mom, that hurts! You're squishing meee!”

“Let me just ask one more time...you're really not lonely?”

“Huh? No, not at all. I mean, look! ♪”

When she turned her eyes in the direction of the living room, the scene was as it always was.

“Maau! ♪”

“Whoa, wait! Celine, don't grab my faaace! Ack!”

“Yuuki Rito... You've looked at my underwear yet *again*.”

“No! It's because—”

“Rito! Never mind that, here, eat this!”

“Say what—*munch* Ack! It's so HOT! What's *in* this?!”

“Don't flail around like that, you're gonna—eek, Peke came off!”

“Whoa!”

“You animal! How dare you ogle my sister's body like that?!”

“No, stop, it wasn't—!”

“Rito-san, I'm fine if you want to do that to my sister, but maaaybe you could do *me* every once in a while... Hee hee! ♪”

Ringo stared, open-mouthed, most certainly shocked at the sight.

“See? With this going on every day, you must get why I'm not lonely.”

“Well, yes, I suppose so... Ah ha ha!”

Ringo's laugh was somewhat strained, but Mikan's was the same as ever.

READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

Outer Space Safari

Rito's always been a plant-lover, and when the family's giant sentient plant Celine comes down with a fatal illness, he's willing to do whatever it takes to find the cure. It'll be a long trip to find it...a trip all the way to outer space! Rito and all three of the Deviluke sisters are off to the planet Mistwa, where all manner of strange and dangerous plants make their home. It'll take everything they have to come out on top!
